SUMMARY

- I am currently a student pursuing BE (Bachelor of Engineering - 3rd Year) in Electronics and Communication Engineering at NHCE (New Horizon College of Engineering)
- While my academic background lies in electronics and communication, I am highly motivated and enthusiastic about transitioning into different types of opportunity.
- I have a strong passion for coding languages and enjoy the process of learning and applying them to create web-based solutions. My goal is to gain practical experience in corporate work and expand my skill set to excel in this exciting and dynamic field.
